

THE TOAST|WHEEL

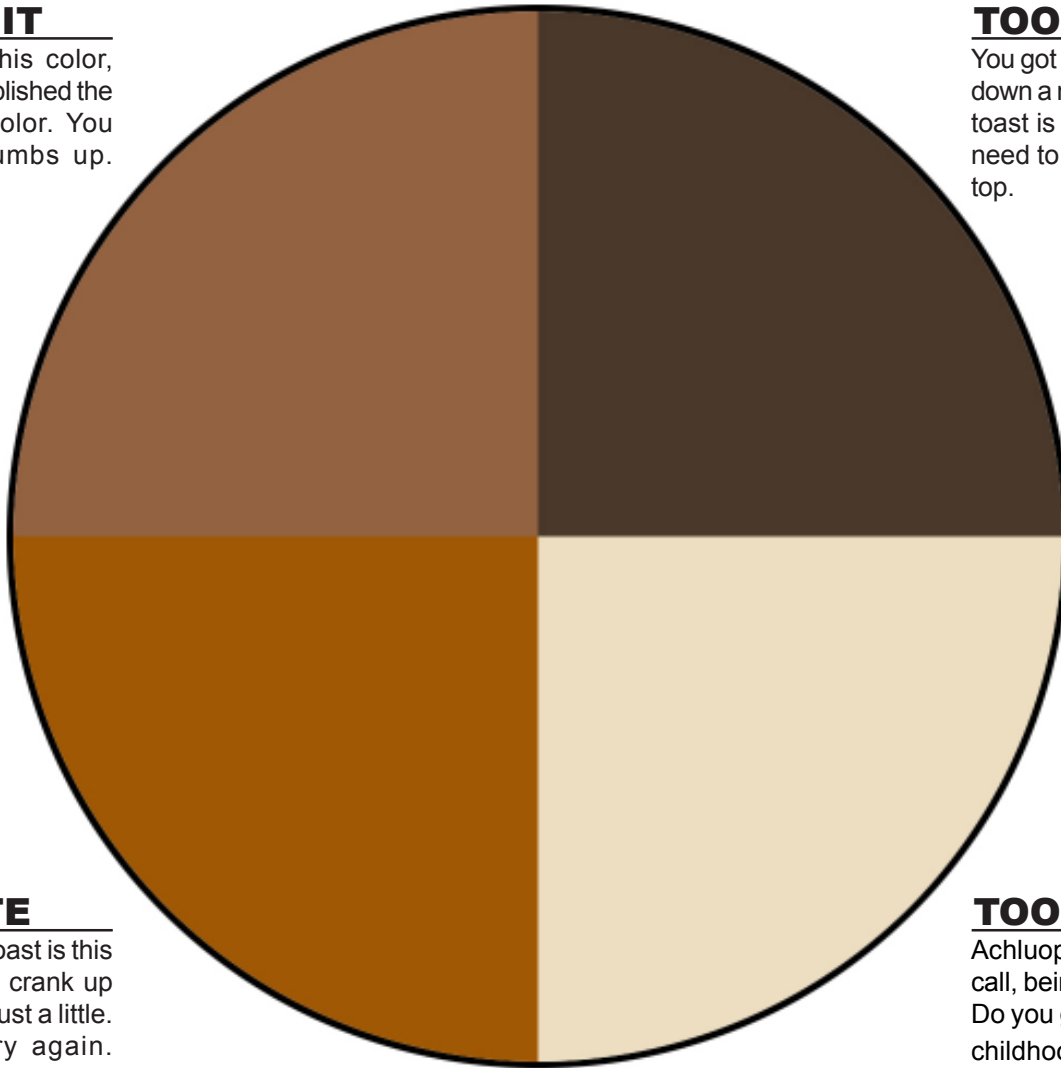

Use **The Toast Wheel** to determine the correct amount of darkness of your toast. The normal amount of toasting time in any conventional toaster ranges anywhere from a minute to a minute and a half. Test your toast using **The Toast Wheel**.

YOU GOT IT

If your toast is this color, you've just accomplished the supreme toast color. You deserve two thumbs up.

TOO DARK

You got Jungle Fever. Take it down a notch or two. If you're toast is this dark you might need to scrape a little of the top.

NOT QUITE

Yo buddy, if your toast is this color you need to crank up that toaster knob just a little. Good try, but try again.

TOO LIGHT

Achluophobia is what they call, being afraid of the dark. Do you got some repressed childhood fear of the dark?
